Things to Do

- 1. Create a time line of the important events in Beethoven's life.
- 2. Research the career of Napoleon and, on a map of Europe, show the various countries he conquered, or tried to conquer.
- 3. Listen to a recording of Beethoven's music and explain to your classmates what is typically "Beethoven" about it.
- 4. Write an obituary for Beethoven.
- 5. If you had an opportunity to interview Beethoven, list five questions you would ask.
- 6. Listen to a piece of music from the Romantic era (not necessarily by Beethoven) and paint an abstract picture in watercolours while listening to the music. How has the music influenced your painting?
- 7. Choose an event in Beethoven's life and create a journal entry for it. Try to understand how Beethoven might have felt.
- 8. Choose an event from Beethoven's life and, with a small group of your classmates, create a tableau to illustrate it. Explain your tableau to the rest of the class.
- 9. Imagine you and two other classmates are making a movie about Beethoven's life. Pick an incident and write a scene that you will perform for your class.
- 10. Using a tape recorder and any sound effects you like, create a commercial to promote the NAC Orchestra. Play your commercial for your classmates.
- 11. Design a poster to promote the NAC Orchestra concerts. Display your poster in the classroom.
- 12. Design a poster to promote the Beethoven House in Bonn.
- 13. Listen to the audiotape or CD of *Beethoven Lives Upstairs* and write a review of it.
- 14. Read one of the books in the Resource Materials section of this publication. Explain to one of your classmates why he or she should also read it or not.
- 15. Create an advertisement to sell one of Beethoven's pianos. Remember that they often did not have legs, that he pounded hard on the keys, and often spilled ink inside.
- 16. Choose another artist (visual artist, composer, author) who was a contemporary of Beethoven's. Research his or her life and give a report to your class.
- 17. Write about some aspect of Beethoven's life from the point of view of his piano.
- 18. Create a poster advertising a concert featuring Mälzel's musical chronometer.
- 19. Working with a small group of your classmates, compose a piece of music using only the most primitive of instruments: noises created by your voice, your hands, or your feet. Perform the piece for your class.
- 20. Organize an opportunity, along with your teacher or parents, for you and your classmates to attend a performance by a symphony orchestra.
